Reassurance Telephone Ministry

Just make a phone call each day to the same homebound parishioner. Many of those who live alone, are fearful that if something happens, no one will know. **The Guardian Angel** is that person who will call each day.

Welcome Mat Ministry

There are some members of our parish who would enjoy a visit from some kind and friendly parishioners. This would entail calling the person and setting up a time to

*Stop and
say
"hello!"*

STOP BY TO SAY HI!

If you would like to participate in either of these ministries by having someone **to visit you or to call you**; or **you would like to visit or call** someone, please contact S.Rita. asap 610-449-3000 shpdevine@comcast.net.
