April 2011

Dear Parents,

Enclosed you will find a copy of the form to be used when registering your child/ren for CCD in our next academic year. All families are required to register, even if you are currently participating in our program. Please be sure to fill in all of the information. Remember that we are registering for the upcoming school year so it would be important that the correct grade is indicated. You can mail the completed registration form to me or drop it off at the parish center. Be sure to **note on the back of the registration form the times classes will be offered and indicate your preference for class time for your child/ren in grades 1,3,4 and/or 5. Also, there is a space for you to indicate your ability to help with the program. We can only continue our work with the help of our volunteers. Give serious consideration to this need and be generous in your response. Our Safe Environment Program requires that we have additional help each week with new areas of responsibility. Match your talents with the opportunities listed so that we can have a full and excellent program.**

The registration fee remains the same as last year (See the bottom of the registration form). Books will be ordered mid-summer so please register as soon as possible. Everyone is expected to pay the registration fee at the time of registration. If you have a concern about this, please call me and we can make arrangements for payments throughout the year if necessary.

If your child is new to the program and was baptized in another parish, please include a copy of your child's baptismal certificate. No child will be registered if a copy of their out-of-parish baptismal certificate is not included.

If you are registered in another parish you will need to get a letter from your pastor giving his permission that your child attend classes here at Sacred Heart. An additional \$50 fee is to be sent by any family registered in another parish.

Do enjoy the summer months. Bless God for all the good that comes your way and depend on the graces God sends when you experience difficult times. Know you are in my prayers. God bless you and all those you love.

Sincerely,

Sister Kate McCafferty, SSJ
